

“UHS has been about finding a family. So the personal connections and growth have been the most valuable to me.” -Angela

Parent:

I love the way UHS challenges my son to "think outside the box" and stretch himself. The directors check in with him regularly and hold him accountable, and he is learning to take ownership of his education.

*“In UHS I am given the ability to work ahead of the normal student rate.” –Calvin*

*“UHS gives you the freedom to choose your assignments and set your own time line.”*
